

In Tuscany

From the best selling author whose memoirs *Under the Tuscan Sun* and *Bella Tuscany* have captured the voluptuousness of Italian life in sensuous and evocative prose, comes a lavishly illustrated celebration of Tuscany's people, food, landscapes, and art, as well as the abundant pleasures of Italian life as it is lived at home, at festivals, feasts, restaurants, and markets, in the kitchen and on the piazza, and in the vineyards, fields, and olive groves. Combining all-new essays by Frances Mayes with contributions by her husband, poet Edward Mayes, *In Tuscany* is divided into four interrelated parts - *La Piazza*, *La Festa*, *Il Campo*, and *La Bellezza* - each highlighting a signature aspect of Tuscan life.
