

The Keblear Horror (Harbinger of Doom)

When an ancient evil came to Keblear Township, only Tearn Alder, the fourth son of his storied House, recognized it for what it was. Too bad nobody believed him. He had time to escape. He could have run. Instead, Tearn took up his sword to stand alone against the darkness. Must he sacrifice his soul to save his town, or is the town's fate already sealed? The Keblear Horror is a short story (~5,200 words) set in the same world as Glenn G. Thater's acclaimed epic fantasy series, Harbinger of Doom.
