

Apprentice Swordceror (The Bladamage Saga Book 1)

Apprentice Swordceror, the first volume of the Bladamage Saga, is a debut novel that tells the story of a young man trapped between the separate and incompatible worlds of Wizards and Warriors. The main character, Kevon, is easily identified with, possessing the raw talent we all wish we had, and the naivete we hope we lack. His journey through betrayal, love, loss, and personal growth is accentuated by the friends and allies that he comes to surround himself with. The story will appeal to classic fantasy fans, while the different angles on magic and standard fantastical races will satisfy those who need something different than the usual fare.
