

Tides of Fortune (The Legends of DhanenMar Book 2)

The Legends of DhanenMar - Volume 2
As the resurfacing of the legendary Catalyst Stones becomes known throughout DhanenMar, the race to locate them begins. While those intent on protecting the realm aim to see them all destroyed, others desire using the power of the Stones to bring only devastation. Across the sea, Madilaine, Rydin and Sabian reach the country of Gaitlin and begin their hunt for the Ruby Stone. Back in Aralexia, matters grow even more precarious as the royal jester struggles to keep secret the identity of the man he's determined to protect.
