

Cappy Ricks: Or the Subjugation of Matt Peasley (Classic Reprint)

Excerpt from Cappy Ricks: Or the Subjugation of Matt Peasley A psychologist would have termed Alden P. Ricks an individualist, but his associates in the wholesale lumber and shipping trade of the Pacific Coast proclaimed him a character. In his youth he had made one voyage round Cape Horn as a cabin boy, his subsequent nautical experience having been confined to the presidency of the Blue Star Navigation Company and occasional voyages as a first-cabin passenger. Notwithstanding this apparent lack of saltwater wisdom, however, his intimate knowledge of ships and the men who go down to the sea in them, together with his very distinct personality, had conduced to provide him with a courtesy title in his old age. It is more than probable that, had Alden P. Ricks been a large, commanding person possessed of the dignity the average citizen associates with men of equal financial rating, the Street would have called him Captain Ricks.
