

Voices: The Reincarnation Series (Book 1)

In a small town in Arkansas, two lives that seemingly have nothing in common will converge and change each other forever. A brilliant but tormented street artist and an ex-track star whose career was cut short by a heart condition. Aimee DeLuca had a promising athletic career before her heart gave out during a high school track and field contest. Aimee struggles to find her way after spending time with a deceased grandmother during a near death experience. Reizo Rush is a street artist whose torment fuels his desire to add color to the gray walls of the city. But Reizo's tagging and the two voices only he hears land him in perpetual trouble with both his teachers and the law. During a chance encounter, the two quickly find out they have much more in common than love. When they stumble upon a century-old storm cellar hidden underground on Aimee's uncle's ranch, they unearth a cellar full of artifacts and a hundred-year-old Will. Once the news of the discovery leaks out, a drug-dealing teen and a mysterious soul named General are determined to bury the truth along with anyone who gets in their way. NOTE: This is a non-traditional ROMANCE.
