

Starting Painting (Usborne First Skills)

This is a practical illustrated guide for young painting enthusiasts, aimed at developing their technical skills. It covers using different types of paint, experimenting with colour-mixing, and ways of applying paint with different tools. All the skills are explained in the context of exciting projects such as making textured cards, painting portraits of pets and combining collage and paint in a collage picture. The book contains photographs, illustrated step-by-step instructions and sample pieces.
