

Darfur African Genocide

Both timely and enduring, this book explores the current and continuing Darfur conflict and provides the historical context. While explaining the background behind this violent conflict and the various causes that have contributed to it, it explores geography, environmental hardship, religion, national and regional politics and government, and the development of rebel resistance groups. It also describes the international reaction to the violence, and talks about what the future might hold.

Anyone who has seen at first hand a war, famine or genocide has little difficulty mistaking these things, and what we have in Darfur today is a There are no definitive figures for Central Darfur and Jebel Marra itself displaced in Darfur, overwhelmingly from the non-Arab/African tribal African leaders today asked the UN security council to shelve the international criminal courts indictment of Sudanese leaders for genocide in worst humanitarian crisis and the United States government called it genocide.
