For courses in Emergency Medical Technician Training and Emergency Medical Services This package includes MyBRADYLab Learn to think like an EMT with the gold standard for EMT training For over 30 years, Emergency Care has provided generations of EMT students with the practical information they need to succeed in the classroom and in the field. Updated with the latest research and developments in emergency medical services, this edition meets the 2010 American Heart Association guidelines for CPR and ECC. Using the National EMS Education Standards as a foundation, Emergency Care goes beyond the Standards to provide the most current, accurate reflection of EMS practice today. The text integrates scientific principles in an easy-to-understand way, with a host of critical-thinking features that help readers learn to think like EMTs. Personalize learning with MyBRADYLab MyBRADYLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their

understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. 0134190750/9780134190754 Emergency Care plus MyBRADYLab with Pearson eText -- Access Card -- for Emergency Care Package consists of:
