

## Unfolding Life: A Book of Haiku

The ancient art of the Japanese haiku has been embraced by the world for centuries. Today's modern take on the traditional form can make a reader think, feel, and see the things in this world that are sometimes hard to describe—even more difficult if its limited to just seventeen syllables. *Unfolding Life* is the debut haiku collection from Terri Deno. From nature and the tangible to time and the intangible, a wide variety of topics are explored in this ancient verse. This collection also includes artwork from KR Smith.

This book includes the best love haiku by Masajo, published in a dual-language edition. YM and haiku both came into Masajo's life in the same period. . . adding another layer to the story that unfolds when reading the carefully crafted haiku. Scott Mason is a recipient of a Touchstone Distinguished Books Award for . . . extends [t]he unwavering gaze of haiku poetry into contemporary life. The unfolding of the book's five chapters, each focused on a single theme: Editorial Reviews. Review. Complete with simple line drawings by K.R. Smith, this little . . . : *Unfolding Life: A Book of Haiku* eBook: Terri Deno: Kindle Store. *Unfolding Life* is the debut haiku collection from Terri Deno. From nature and the tangible to time and the intangible, a wide variety of topics are explored in this ancient verse. This collection also includes artwork from KR Smith. A serious accident in his youth resulted in a redirection of Hackett's life. . . The forthcoming book of haiku that Blyth had referred to saw print as Hackett's . . . The poems unfold, phrase by phrase, like bubbling creek water, with good humor. Some of the haiku in this book are written about my personal experiences . . . things . . . years . . . and some that were still unfolding at the time I was putting this book together. . . times of regret and pain and simple observations of nature and life. Samuel Menashe was not a writer of haiku, but he was a writer of very short poetry. The book also includes an hour-long DVD, *Life Is Immense: Visiting Samuel* . . . compression of the poem (83) makes readers focus on the unfolding of time. I would probably rate this book between 3.5 and 4 stars, so I rounded up! *Melody of Love* Kindle Worlds series, and *Unfolding Life: A Book of Haiku*. Her work Terri Deno's book of haiku, *Unfolding Life*, is now available for Kindle on Amazon. *Unfolding Life* is the debut haiku collection from Terri Deno.
