

Katy Duck, Dance Star

Meet Katy Duck, a sometimes shy, sometimes brave, not-so-ordinary duck, whose determination and can-do spirit always seems to wing doubts in the opposite direction. Toddlers will relate to Katys befuddlements, mishaps, and triumphs as she learns to make new friends, stand on her own two feet, and try new things--all of which can be daunting and exhilarating for this age group. In this third adventure in the Katy Duck series, this dancing duck learns an important lesson about consideration. Katys aunt sends her the perfect dance star accessory--a new, pink boa! But as Katy puts herself center stage, this dance diva learns that doing what she wants may not be whats best for everyone. Perfect for the toddlers, this board book comes with rounded corners.
