

Collectors of Zodiac Book 12 of 13 (The Crossing and the Victims)

Imagine if your eyes were closed by a limited well of history. Truth has been withheld. The stars cry out every night to reveal the past and to pave the future. We read history and mythology books but only acknowledge what our eyes tell us. What if there is a deeper power inside of us all. Some call it a soul while others call this power; life force. Most atoms were formed in stars and most of the higher mass elements were made in the core of a sun. Remember life is composed of star dust. For the answers all we need to do is to ask the stars.
