

Impressionist Art (Create It!)

Some of the most famous artists of all time were from the impressionist school. Claude Monet, Georges Seurat, and Edgar Degas all created works that have stood the test of time, and they were impressionists. Readers learn about the characteristics of impressionist art and the techniques used to create it. Master impressionists are profiled throughout the book, including information about their beautiful works. Readers can use this new knowledge to follow step-by-step instructions and make several art projects in the impressionist mode. Tips and full-color photographs help readers as they create, teaching them techniques they can use in future projects.
