

On Poets and Others

The Nobel Prizewinning poet and man of letters Octavio Paz was also a brilliant reader of other writers, and this book selects his best critical essays from over three decades. In the sixteen pieces collected here, Paz discusses a wide range of poets and writers, both American and international, from Robert Frost and Walt Whitman to William Carlos Williams; from Fyodor Dostoevsky to Luis Bunuel to Alexander Solzhenitsyn; and from Charles Baudelaire to Jean-Paul Sartre, Andre Breton, and Henri Michaux. Paz writes, I believe that a writers attitude to language should be that of a lover: fidelity and, at the same time, a lack of respect for the beloved object. Veneration and transgression. When this original thinker meets these writers, each essay is an adventure of the mind.
