

Rockets and Realms (Wands of Merlin)

The five star rated Destiny and Decision introduced you to today's magical community and their influence on major events. Now, *Rockets and Realms* continues the adventures of World Witches and Wizards Councils, North American Ambassador Brian Holmes. This time he faces the mystery of President Stephen Anderson's missing wand, the betrayal of key staff members, and the challenge to foil a world weather control plot. All this and a visit from the Master Wizard himself propels this second book in the *Wands of Merlin* series into a page turning Turbo drive adventure.
