

Taken! 2: The Taken! Series of Short Stories

From Year Zero Publishing By Donald Wells, the author of *Whisper in the Pines & Double or Nothing* **TAKEN! 2 - Youngblood** There's a killer at large in the Colorado community of Eagles Bluff, and the death toll is frightening. Three families have been brutally murdered, but what really sets the town on edge is the fact that the killer is one of their own. Gregory Michael Rouse, a 17-year-old loner, was on the outside looking in among the affluent residents. Gregory just never seemed to fit and was often the butt of cruel jokes. Now, no one's laughing after Gregory surfaces as the prime suspect in the slayings. Criminal Profiler, Dr. Jessica White is called in to help capture Gregory, but she didn't come alone. Her husband has also traveled to the town of Eagles Bluff to track down the killer. Dr. White knows that Gregory's days of freedom are numbered, because the only thing more dangerous than the man they hunt, is her husband.
