

The Alchemist of Souls: Nights Masque, Volume 1

When Tudor explorers returned from the New World, they brought back a name out of half-forgotten Viking legend: skraylings. Red-sailed ships followed in the explorers wake, bringing Native American goods--and a skrayling ambassador--to London. But what do these seemingly magical beings really want in Elizabeth Is capital? Mal Catlyn, a down-at-heel swordsman, is seconded to the ambassadors bodyguard, but assassination attempts are the least of his problems. What he learns about the skraylings and their unholy powers could cost England her new ally--and Mal his soul.
