

## Arrows of Promise (Kingmakers Book 2)

It takes more than wizards and kings to mold a kingdom. Da. I think it be time we press matters. About getting more wizards here? Aye. That be a sound notion. Lately, Estole has more problems than solutions, and not enough resources to implement the ones they do have. When Ash collapses from magical exhaustion, the group decides the only course is to bring in more wizarding help. Riana can only pray that they get the help they need before Iysh strikes again. For if they dont, food shortages will be the least of their worries.
