

## The Count of Monte Cristo (Modern Library Classics)

Introduction by Lorenzo Carcaterra A popular bestseller since its publication in 1844, *The Count of Monte Cristo* is one of the great page-turning thrillers of all time. Set against the tumultuous years of the post-Napoleonic era, Alexandre Dumas grand historical romance recounts the swashbuckling adventures of Edmond Dantes, a dashing young sailor falsely accused of treason. The story of his long imprisonment, dramatic escape, and carefully wrought revenge offers up a vision of France that has become immortal. As Robert Louis Stevenson declared, I do not believe there is another volume extant where you can breathe the same unmingled atmosphere of romance. **INCLUDES A MODERN LIBRARY READING GROUP GUIDE**
