4 authors will each take a different daughter born from the Prince of Darkness, Vlad Montour (also known as Vlad the Impaler, an evil villain from history). Blair - Chrissy Peebles Jezebel - Kristen Middleton Victoria - W.J. May Lotus - C.J. Pinard Dont mess with the Daughters of Darkness, especially Victoria. Only Death Could Stop Her Now Victoria was a Hunter Vampire, now turned Hunted. When Evan is obviously been kidnapped by the Council, Tori will stop at nothing to get him back. At the same time, shes disappointed to learn Malcolm, her old hunting partner, is hot on her trail. Malcolm knows her very well as they worked together for countless decades. He knows her every move and her every hiding spot. She seeks Finns help. Finn has been alive for centuries and has somehow managed to stay completely off the Councils radar by living off the grid. Shes confident he can keep her, Eddie, and Trent safe while they come up with a way to get to Evan. Vlad wants her - dead or alive, it seems to no longer matter. Tori will do whatever is needed to keep Evan safe, even if it means coming up against her father and hunting him.
